This purpose includes all components of academic instruction offered on or off-campus for academic credit. Costs associated with instruction include salary and benefit costs for academic department heads, departmental chairpersons, academic program directors, all budgeted regular term teaching positions, and support personnel supervised and directed by persons filling those positions. Also, this purpose includes supportive services, supplies, and equipment required by such positions. As of 2025, this budget fund includes summer term instruction in addition to fall and spring.

This purpose includes instruction for which degree credit is not granted, as well as instruction offered at a charge designed to cover program costs (receipt-supported). Instruction may be delivered on campus or at a distance. Non-degree credit instruction includes educational activities in the form of adult education, adult basic education, a vocational education, continuing education, personal development, and professional review, renewal, and improvement. Receipts-supported programs may be for academic credit or non-credit, but receive no state appropriation support and charge according to program costs. Instruction may be delivered as regular courses, short courses, special courses, conferences, consortia, correspondence courses, seminars, or workshops. Costs include program directors, instructional and support personnel, services, and materials required for non-credit extension instruction.

This purpose will be used exclusively for tracking and reporting on UNC Laboratory Schools. The laboratory schools are low-performing public schools that are run by the universities. G.S.116-239.5 established the laboratory schools to "improve student performance in local school administrative units with low-performing schools by providing an enhanced education program for students residing in those units and to provide exposure and training for teachers and principals to successfully address challenges existing in high needs school settings."

150713-180 PHYSICAL PLANT OPERATION UNCG BC 16040

This purpose includes functions and services of the institution which operate, repair, and maintain physical facilities and grounds, provide utility and environmental services and their accompanying administrative and support components. It includes custodial services, property insurance and controls, utility plants, utility acquisition and distribution, trash collection, campus architects, construction engineers, related information technology and campus safety and security. This purpose excludes capital expenditures for plant expansion, plant modifications, and related architectural services which reside in the Capital Fund. This activity is compatible with revenues generated within the institution from utility and other services provided to self-supporting (nonappropriated) operations.

150901-101 INSTRUCTION UNCC BC 16050

This purpose includes all components of academic instruction offered on or off-campus for academic credit. Costs associated with instruction include salary and benefit costs for academic department heads, departmental chairpersons, academic program directors, all budgeted regular term teaching positions, and support personnel supervised and directed by persons filling those positions. Also, this purpose includes supportive services, supplies, and equipment required by such positions. As of 2025, this budget fund includes summer term instruction in addition to fall and spring.

This purpose includes instruction for which degree credit is not granted, as well as instruction offered at a charge designed to cover program costs (receipt-supported). Instruction may be delivered on campus or at a distance. Non-degree credit instruction includes educational activities in the form of adult education, adult basic education, a vocational education, continuing education, personal development, and professional review, renewal, and improvement. Receipts-supported programs may be for academic credit or non-credit, but receive no state appropriation support and charge according to program costs. Instruction may be delivered as regular courses, short courses, special courses, conferences, consortia, correspondence courses, seminars, or workshops. Costs include program directors, instructional and support personnel, services, and materials required for non-credit extension instruction.

This purpose will be used exclusively for tracking and reporting on UNC Laboratory Schools. The laboratory schools are low-performing public schools that are run by the universities. G.S.116-239.5 established the laboratory schools to "improve student performance in local school administrative units with low-performing schools by providing an enhanced education program for students residing in those units and to provide exposure and training for teachers and principals to successfully address challenges existing in high needs school settings."

150912-180 PHYSICAL PLANT OPERATION UNCC BC 16050

This purpose includes functions and services of the institution which operate, repair, and maintain physical facilities and grounds, provide utility and environmental services and their accompanying administrative and support components. It includes custodial services, property insurance and controls, utility plants, utility acquisition and distribution, trash collection, campus architects, construction engineers, related information technology and campus safety and security. This purpose excludes capital expenditures for plant expansion, plant modifications, and related architectural services which reside in the Capital Fund. This activity is compatible with revenues generated within the institution from utility and other services provided to self-supporting (nonappropriated) operations.

150913-230 STUDENT FINANCIAL AID UNCC BC 16050

This purpose includes funds available for distribution as scholarships, fellowships, traineeships, trainee stipends, grants, grants-in-aid, prizes, and awards to students enrolled in degree or certificate programs at the institution. This activity also includes awards to students in both Pell Grants program, the Supplemental Educational Opportunity Grants (SEOG) program, and matching funds for work-study and student loan programs. The disbursement of work-study funds or loan funds to students is not classified as Student Financial Aid. This purpose excludes administration of student financial aid, which is provided in purpose 1160 Student Services, and all tuition waivers.

151001-101 INSTRUCTION UNCA BC 16055

This purpose includes all components of academic instruction offered on or off-campus for academic credit. Costs associated with instruction include salary and benefit costs for academic department heads, departmental chairpersons, academic program directors, all budgeted regular term teaching positions, and support personnel supervised and directed by persons filling those positions. Also, this purpose includes supportive services, supplies, and equipment required by such positions. As of 2025, this budget fund includes summer term instruction in addition to fall and spring.

This purpose includes instruction for which degree credit is not granted, as well as instruction offered at a charge designed to cover program costs (receipt-supported). Instruction may be delivered on campus or at a distance. Non-degree credit instruction includes educational activities in the form of adult education, adult basic education, a vocational education, continuing education, personal development, and professional review, renewal, and improvement. Receipts-supported programs may be for academic credit or non-credit, but receive no state appropriation support and charge according to program costs. Instruction may be delivered as regular courses, short courses, special courses, conferences, consortia, correspondence courses, seminars, or workshops. Costs include program directors, instructional and support personnel, services, and materials required for non-credit extension instruction.

151012-180 PHYSICAL PLANT OPERATION UNCA BC 16055

This purpose includes functions and services of the institution which operate, repair, and maintain physical facilities and grounds, provide utility and environmental services and their accompanying administrative and support components. It includes custodial services, property insurance and controls, utility plants, utility acquisition and distribution, trash collection, campus architects, construction engineers, related information technology and campus safety and security. This purpose excludes capital expenditures for plant expansion, plant modifications, and related architectural services which reside in the Capital Fund. This activity is compatible with revenues generated within the institution from utility and other services provided to self-supporting (nonappropriated) operations.

151101-101 INSTRUCTION UNCW BC 16060

This purpose includes all components of academic instruction offered on or off-campus for academic credit. Costs associated with instruction include salary and benefit costs for academic department heads, departmental chairpersons, academic program directors, all budgeted regular term teaching positions, and support personnel supervised and directed by persons filling those positions. Also, this purpose includes supportive services, supplies, and equipment required by such positions. As of 2025, this budget fund includes summer term instruction in addition to fall and spring.

This purpose includes instruction for which degree credit is not granted, as well as instruction offered at a charge designed to cover program costs (receipt-supported). Instruction may be delivered on campus or at a distance. Non-degree credit instruction includes educational activities in the form of adult education, adult basic education, a vocational education, continuing education, personal development, and professional review, renewal, and improvement. Receipts-supported programs may be for academic credit or non-credit, but receive no state appropriation support and charge according to program costs. Instruction may be delivered as regular courses, short courses, special courses, conferences, consortia, correspondence courses, seminars, or workshops. Costs include program directors, instructional and support personnel, services, and materials required for non-credit extension instruction.

151106-112 UNC SYSTEM LAB SCHOOLS UNCW BC 16060

This purpose will be used exclusively for tracking and reporting on UNC Laboratory Schools. The laboratory schools are low-performing public schools that are run by the universities. G.S.116-239.5 established the laboratory schools to "improve student performance in local school administrative units with low-performing schools by providing an enhanced education program for students residing in those units and to provide exposure and training for teachers and principals to successfully address challenges existing in high needs school settings."

151112-180 PHYSICAL PLANT OPERATION UNCW BC 16060

This purpose includes functions and services of the institution which operate, repair, and maintain physical facilities and grounds, provide utility and environmental services and their accompanying administrative and support components. It includes custodial services, property insurance and controls, utility plants, utility acquisition and distribution, trash collection, campus architects, construction engineers, related information technology and campus safety and security. This purpose excludes capital expenditures for plant expansion, plant modifications, and related architectural services which reside in the Capital Fund. This activity is compatible with revenues generated within the institution from utility and other services provided to self-supporting (nonappropriated) operations.

151113-230 STUDENT FINANCIAL AID UNCW BC 16060

This purpose includes funds available for distribution as scholarships, fellowships, traineeships, trainee stipends, grants, grants-in-aid, prizes, and awards to students enrolled in degree or certificate programs at the institution. This activity also includes awards to students in both Pell Grants program, the Supplemental Educational Opportunity Grants (SEOG) program, and matching funds for work-study and student loan programs. The disbursement of work-study funds or loan funds to students is not classified as Student Financial Aid. This purpose excludes administration of student financial aid, which is provided in purpose 1160 Student Services, and all tuition waivers.

151203-103 NON-CRED & RECPT-SUPT INSTR ECU BC 16065

This purpose includes instruction for which degree credit is not granted, as well as instruction offered at a charge designed to cover program costs (receipt-supported). Instruction may be delivered on campus or at a distance. Non-degree credit instruction includes educational activities in the form of adult education, adult basic education, a vocational education, continuing education, personal development, and professional review, renewal, and improvement. Receipts-supported programs may be for academic credit or non-credit, but receive no state appropriation support and charge according to program costs. Instruction may be delivered as regular courses, short courses, special courses, conferences, consortia, correspondence courses, seminars, or workshops. Costs include program directors, instructional and support personnel, services, and materials required for non-credit extension instruction.

151209-112 UNC SYSTEM LAB SCHOOLS ECU BC 16065

This purpose will be used exclusively for tracking and reporting on UNC Laboratory Schools. The laboratory schools are low-performing public schools that are run by the universities. G.S.116-239.5 established the laboratory schools to "improve student performance in local school administrative units with low-performing schools by providing an enhanced education program for students residing in those units and to provide exposure and training for teachers and principals to successfully address challenges existing in high needs school settings."

151215-180 PHYSICAL PLANT OPERATION ECU BC 16065

This purpose includes functions and services of the institution which operate, repair, and maintain physical facilities and grounds, provide utility and environmental services and their accompanying administrative and support components. It includes custodial services, property insurance and controls, utility plants, utility acquisition and distribution, trash collection, campus architects, construction engineers, related information technology and campus safety and security. This purpose excludes capital expenditures for plant expansion, plant modifications, and related architectural services which reside in the Capital Fund. This activity is compatible with revenues generated within the institution from utility and other services provided to self-supporting (nonappropriated) operations.

151216-230 STUDENT FINANCIAL AID ECU BC 16065

This purpose includes funds available for distribution as scholarships, fellowships, traineeships, trainee stipends, grants, grants-in-aid, prizes, and awards to students enrolled in degree or certificate programs at the institution. This activity also includes awards to students in both Pell Grants program, the Supplemental Educational Opportunity Grants (SEOG) program, and matching funds for work-study and student loan programs. The disbursement of work-study funds or loan funds to students is not classified as Student Financial Aid. This purpose excludes administration of student financial aid, which is provided in purpose 1160 Student Services, and all tuition waivers.

151301-101 INSTRUCTION ECU BC 16066

This purpose includes all components of academic instruction offered on or off-campus for academic credit. Costs associated with instruction include salary and benefit costs for academic department heads, departmental chairpersons, academic program directors, all budgeted regular term teaching positions, and support personnel supervised and directed by persons filling those positions. Also, this purpose includes supportive services, supplies, and equipment required by such positions. As of 2025, this budget fund includes summer term instruction in addition to fall and spring.

This purpose includes all components of academic instruction offered on or off-campus for academic credit. Costs associated with instruction include salary and benefit costs for academic department heads, departmental chairpersons, academic program directors, all budgeted regular term teaching positions, and support personnel supervised and directed by persons filling those positions. Also, this purpose includes supportive services, supplies, and equipment required by such positions. As of 2025, this budget fund includes summer term instruction in addition to fall and spring.

This purpose includes instruction for which degree credit is not granted, as well as instruction offered at a charge designed to cover program costs (receipt-supported). Instruction may be delivered on campus or at a distance. Non-degree credit instruction includes educational activities in the form of adult education, adult basic education, a vocational education, continuing education, personal development, and professional review, renewal, and improvement. Receipts-supported programs may be for academic credit or non-credit, but receive no state appropriation support and charge according to program costs. Instruction may be delivered as regular courses, short courses, special courses, conferences, consortia, correspondence courses, seminars, or workshops. Costs include program directors, instructional and support personnel, services, and materials required for non-credit extension instruction.

151406-112 UNC SYSTEM LAB SCHOOLS NCAT BC 16070

This purpose will be used exclusively for tracking and reporting on UNC Laboratory Schools. The laboratory schools are low-performing public schools that are run by the universities. G.S.116-239.5 established the laboratory schools to "improve student performance in local school administrative units with low-performing schools by providing an enhanced education program for students residing in those units and to provide exposure and training for teachers and principals to successfully address challenges existing in high needs school settings."

151412-180 PHYSICAL PLANT OPERATION NCAT BC 16070

This purpose includes functions and services of the institution which operate, repair, and maintain physical facilities and grounds, provide utility and environmental services and their accompanying administrative and support components. It includes custodial services, property insurance and controls, utility plants, utility acquisition and distribution, trash collection, campus architects, construction engineers, related information technology and campus safety and security. This purpose excludes capital expenditures for plant expansion, plant modifications, and related architectural services which reside in the Capital Fund. This activity is compatible with revenues generated within the institution from utility and other services provided to self-supporting (nonappropriated) operations.

151413-230 STUDENT FINANCIAL AID NCAT BC 16070

This purpose includes funds available for distribution as scholarships, fellowships, traineeships, trainee stipends, grants, grants-in-aid, prizes, and awards to students enrolled in degree or certificate programs at the institution. This activity also includes awards to students in both Pell Grants program, the Supplemental Educational Opportunity Grants (SEOG) program, and matching funds for work-study and student loan programs. The disbursement of work-study funds or loan funds to students is not classified as Student Financial Aid. This purpose excludes administration of student financial aid, which is provided in purpose 1160 Student Services, and all tuition waivers.

151601-101 INSTRUCTION WCU BC 16075

This purpose includes all components of academic instruction offered on or off-campus for academic credit. Costs associated with instruction include salary and benefit costs for academic department heads, departmental chairpersons, academic program directors, all budgeted regular term teaching positions, and support personnel supervised and directed by persons filling those positions. Also, this purpose includes supportive services, supplies, and equipment required by such positions. As of 2025, this budget fund includes summer term instruction in addition to fall and spring.

This purpose includes instruction for which degree credit is not granted, as well as instruction offered at a charge designed to cover program costs (receipt-supported). Instruction may be delivered on campus or at a distance. Non-degree credit instruction includes educational activities in the form of adult education, adult basic education, a vocational education, continuing education, personal development, and professional review, renewal, and improvement. Receipts-supported programs may be for academic credit or non-credit, but receive no state appropriation support and charge according to program costs. Instruction may be delivered as regular courses, short courses, special courses, conferences, consortia, correspondence courses, seminars, or workshops. Costs include program directors, instructional and support personnel, services, and materials required for non-credit extension instruction.

151606-112 UNC SYSTEM LAB SCHOOLS WCU BC 16075

This purpose will be used exclusively for tracking and reporting on UNC Laboratory Schools. The laboratory schools are low-performing public schools that are run by the universities. G.S.116-239.5 established the laboratory schools to "improve student performance in local school administrative units with low-performing schools by providing an enhanced education program for students residing in those units and to provide exposure and training for teachers and principals to successfully address challenges existing in high needs school settings."

151614-180 PHYSICAL PLANT OPERATION WCU BC 16075

This purpose includes functions and services of the institution which operate, repair, and maintain physical facilities and grounds, provide utility and environmental services and their accompanying administrative and support components. It includes custodial services, property insurance and controls, utility plants, utility acquisition and distribution, trash collection, campus architects, construction engineers, related information technology and campus safety and security. This purpose excludes capital expenditures for plant expansion, plant modifications, and related architectural services which reside in the Capital Fund. This activity is compatible with revenues generated within the institution from utility and other services provided to self-supporting (nonappropriated) operations.

151615-230 STUDENT FINANCIAL AID WCU BC 16075

This purpose includes funds available for distribution as scholarships, fellowships, traineeships, trainee stipends, grants, grants-in-aid, prizes, and awards to students enrolled in degree or certificate programs at the institution. This activity also includes awards to students in both Pell Grants program, the Supplemental Educational Opportunity Grants (SEOG) program, and matching funds for work-study and student loan programs. The disbursement of work-study funds or loan funds to students is not classified as Student Financial Aid. This purpose excludes administration of student financial aid, which is provided in purpose 1160 Student Services, and all tuition waivers.

151801-101 INSTRUCTION ASU BC 16080

This purpose includes all components of academic instruction offered on or off-campus for academic credit. Costs associated with instruction include salary and benefit costs for academic department heads, departmental chairpersons, academic program directors, all budgeted regular term teaching positions, and support personnel supervised and directed by persons filling those positions. Also, this purpose includes supportive services, supplies, and equipment required by such positions. As of 2025, this budget fund includes summer term instruction in addition to fall and spring.

This purpose includes instruction for which degree credit is not granted, as well as instruction offered at a charge designed to cover program costs (receipt-supported). Instruction may be delivered on campus or at a distance. Non-degree credit instruction includes educational activities in the form of adult education, adult basic education, a vocational education, continuing education, personal development, and professional review, renewal, and improvement. Receipts-supported programs may be for academic credit or non-credit, but receive no state appropriation support and charge according to program costs. Instruction may be delivered as regular courses, short courses, special courses, conferences, consortia, correspondence courses, seminars, or workshops. Costs include program directors, instructional and support personnel, services, and materials required for non-credit extension instruction.

151806-112 UNC SYSTEM LAB SCHOOLS ASU BC 16080

This purpose will be used exclusively for tracking and reporting on UNC Laboratory Schools. The laboratory schools are low-performing public schools that are run by the universities. G.S.116-239.5 established the laboratory schools to "improve student performance in local school administrative units with low-performing schools by providing an enhanced education program for students residing in those units and to provide exposure and training for teachers and principals to successfully address challenges existing in high needs school settings."

151812-180 PHYSICAL PLANT OPERATION ASU BC 16080

This purpose includes functions and services of the institution which operate, repair, and maintain physical facilities and grounds, provide utility and environmental services and their accompanying administrative and support components. It includes custodial services, property insurance and controls, utility plants, utility acquisition and distribution, trash collection, campus architects, construction engineers, related information technology and campus safety and security. This purpose excludes capital expenditures for plant expansion, plant modifications, and related architectural services which reside in the Capital Fund. This activity is compatible with revenues generated within the institution from utility and other services provided to self-supporting (nonappropriated) operations.

151813-230 STUDENT FINANCIAL AID ASU BC 16080

This purpose includes funds available for distribution as scholarships, fellowships, traineeships, trainee stipends, grants, grants-in-aid, prizes, and awards to students enrolled in degree or certificate programs at the institution. This activity also includes awards to students in both Pell Grants program, the Supplemental Educational Opportunity Grants (SEOG) program, and matching funds for work-study and student loan programs. The disbursement of work-study funds or loan funds to students is not classified as Student Financial Aid. This purpose excludes administration of student financial aid, which is provided in purpose 1160 Student Services, and all tuition waivers.

152001-101 INSTRUCTION UNCP BC 16082

This purpose includes all components of academic instruction offered on or off-campus for academic credit. Costs associated with instruction include salary and benefit costs for academic department heads, departmental chairpersons, academic program directors, all budgeted regular term teaching positions, and support personnel supervised and directed by persons filling those positions. Also, this purpose includes supportive services, supplies, and equipment required by such positions. As of 2025, this budget fund includes summer term instruction in addition to fall and spring.

This purpose includes instruction for which degree credit is not granted, as well as instruction offered at a charge designed to cover program costs (receipt-supported). Instruction may be delivered on campus or at a distance. Non-degree credit instruction includes educational activities in the form of adult education, adult basic education, a vocational education, continuing education, personal development, and professional review, renewal, and improvement. Receipts-supported programs may be for academic credit or non-credit, but receive no state appropriation support and charge according to program costs. Instruction may be delivered as regular courses, short courses, special courses, conferences, consortia, correspondence courses, seminars, or workshops. Costs include program directors, instructional and support personnel, services, and materials required for non-credit extension instruction.

152011-180 PHYSICAL PLANT OPERATION UNCP BC 16082

This purpose includes functions and services of the institution which operate, repair, and maintain physical facilities and grounds, provide utility and environmental services and their accompanying administrative and support components. It includes custodial services, property insurance and controls, utility plants, utility acquisition and distribution, trash collection, campus architects, construction engineers, related information technology and campus safety and security. This purpose excludes capital expenditures for plant expansion, plant modifications, and related architectural services which reside in the Capital Fund. This activity is compatible with revenues generated within the institution from utility and other services provided to self-supporting (nonappropriated) operations.

152201-101 INSTRUCTION WSSU BC 16084

This purpose includes all components of academic instruction offered on or off-campus for academic credit. Costs associated with instruction include salary and benefit costs for academic department heads, departmental chairpersons, academic program directors, all budgeted regular term teaching positions, and support personnel supervised and directed by persons filling those positions. Also, this purpose includes supportive services, supplies, and equipment required by such positions. As of 2025, this budget fund includes summer term instruction in addition to fall and spring.

This purpose includes instruction for which degree credit is not granted, as well as instruction offered at a charge designed to cover program costs (receipt-supported). Instruction may be delivered on campus or at a distance. Non-degree credit instruction includes educational activities in the form of adult education, adult basic education, a vocational education, continuing education, personal development, and professional review, renewal, and improvement. Receipts-supported programs may be for academic credit or non-credit, but receive no state appropriation support and charge according to program costs. Instruction may be delivered as regular courses, short courses, special courses, conferences, consortia, correspondence courses, seminars, or workshops. Costs include program directors, instructional and support personnel, services, and materials required for non-credit extension instruction.

152212-180 PHYSICAL PLANT OPERATION WSSU BC 16084

This purpose includes functions and services of the institution which operate, repair, and maintain physical facilities and grounds, provide utility and environmental services and their accompanying administrative and support components. It includes custodial services, property insurance and controls, utility plants, utility acquisition and distribution, trash collection, campus architects, construction engineers, related information technology and campus safety and security. This purpose excludes capital expenditures for plant expansion, plant modifications, and related architectural services which reside in the Capital Fund. This activity is compatible with revenues generated within the institution from utility and other services provided to self-supporting (nonappropriated) operations.

152213-230 STUDENT FINANCIAL AID WSSU BC 16084

This purpose includes funds available for distribution as scholarships, fellowships, traineeships, trainee stipends, grants, grants-in-aid, prizes, and awards to students enrolled in degree or certificate programs at the institution. This activity also includes awards to students in both Pell Grants program, the Supplemental Educational Opportunity Grants (SEOG) program, and matching funds for work-study and student loan programs. The disbursement of work-study funds or loan funds to students is not classified as Student Financial Aid. This purpose excludes administration of student financial aid, which is provided in purpose 1160 Student Services, and all tuition waivers.

16086-Elizabeth City State University - General Fund

152401-101 INSTRUCTION ECSU BC 16086

This purpose includes all components of academic instruction offered on or off-campus for academic credit. Costs associated with instruction include salary and benefit costs for academic department heads, departmental chairpersons, academic program directors, all budgeted regular term teaching positions, and support personnel supervised and directed by persons filling those positions. Also, this purpose includes supportive services, supplies, and equipment required by such positions. As of 2025, this budget fund includes summer term instruction in addition to fall and spring.

152411-180 PHYSICAL PLANT OPERATION ECSU BC 16086

This purpose includes functions and services of the institution which operate, repair, and maintain physical facilities and grounds, provide utility and environmental services and their accompanying administrative and support components. It includes custodial services, property insurance and controls, utility plants, utility acquisition and distribution, trash collection, campus architects, construction engineers, related information technology and campus safety and security. This purpose excludes capital expenditures for plant expansion, plant modifications, and related architectural services which reside in the Capital Fund. This activity is compatible with revenues generated within the institution from utility and other services provided to self-supporting (nonappropriated) operations.

152611-180 PHYSICAL PLANT OPERATION FSU BC 16088

This purpose includes functions and services of the institution which operate, repair, and maintain physical facilities and grounds, provide utility and environmental services and their accompanying administrative and support components. It includes custodial services, property insurance and controls, utility plants, utility acquisition and distribution, trash collection, campus architects, construction engineers, related information technology and campus safety and security. This purpose excludes capital expenditures for plant expansion, plant modifications, and related architectural services which reside in the Capital Fund. This activity is compatible with revenues generated within the institution from utility and other services provided to self-supporting (nonappropriated) operations.

152801-101 INSTRUCTION NCCU BC 16090

This purpose includes all components of academic instruction offered on or off-campus for academic credit. Costs associated with instruction include salary and benefit costs for academic department heads, departmental chairpersons, academic program directors, all budgeted regular term teaching positions, and support personnel supervised and directed by persons filling those positions. Also, this purpose includes supportive services, supplies, and equipment required by such positions. As of 2025, this budget fund includes summer term instruction in addition to fall and spring.

This purpose includes instruction for which degree credit is not granted, as well as instruction offered at a charge designed to cover program costs (receipt-supported). Instruction may be delivered on campus or at a distance. Non-degree credit instruction includes educational activities in the form of adult education, adult basic education, a vocational education, continuing education, personal development, and professional review, renewal, and improvement. Receipts-supported programs may be for academic credit or non-credit, but receive no state appropriation support and charge according to program costs. Instruction may be delivered as regular courses, short courses, special courses, conferences, consortia, correspondence courses, seminars, or workshops. Costs include program directors, instructional and support personnel, services, and materials required for non-credit extension instruction.

152812-180 PHYSICAL PLANT OPERATION NCCU BC 16090

This purpose includes functions and services of the institution which operate, repair, and maintain physical facilities and grounds, provide utility and environmental services and their accompanying administrative and support components. It includes custodial services, property insurance and controls, utility plants, utility acquisition and distribution, trash collection, campus architects, construction engineers, related information technology and campus safety and security. This purpose excludes capital expenditures for plant expansion, plant modifications, and related architectural services which reside in the Capital Fund. This activity is compatible with revenues generated within the institution from utility and other services provided to self-supporting (nonappropriated) operations.

152813-230 STUDENT FINANCIAL AID NCCU BC 16090

This purpose includes funds available for distribution as scholarships, fellowships, traineeships, trainee stipends, grants, grants-in-aid, prizes, and awards to students enrolled in degree or certificate programs at the institution. This activity also includes awards to students in both Pell Grants program, the Supplemental Educational Opportunity Grants (SEOG) program, and matching funds for work-study and student loan programs. The disbursement of work-study funds or loan funds to students is not classified as Student Financial Aid. This purpose excludes administration of student financial aid, which is provided in purpose 1160 Student Services, and all tuition waivers.

152901-101 INSTRUCTION UNCSA BC 16092

This purpose includes all components of academic instruction offered on or off-campus for academic credit. Costs associated with instruction include salary and benefit costs for academic department heads, departmental chairpersons, academic program directors, all budgeted regular term teaching positions, and support personnel supervised and directed by persons filling those positions. Also, this purpose includes supportive services, supplies, and equipment required by such positions. As of 2025, this budget fund includes summer term instruction in addition to fall and spring.

152910-180 PHYSICAL PLANT OPERATION UNCSCA BC 16092

This purpose includes functions and services of the institution which operate, repair, and maintain physical facilities and grounds, provide utility and environmental services and their accompanying administrative and support components. It includes custodial services, property insurance and controls, utility plants, utility acquisition and distribution, trash collection, campus architects, construction engineers, related information technology and campus safety and security. This purpose excludes capital expenditures for plant expansion, plant modifications, and related architectural services which reside in the Capital Fund. This activity is compatible with revenues generated within the institution from utility and other services provided to self-supporting (nonappropriated) operations.

152911-230 STUDENT FINANCIAL AID UNCSA BC 16092

This purpose includes funds available for distribution as scholarships, fellowships, traineeships, trainee stipends, grants, grants-in-aid, prizes, and awards to students enrolled in degree or certificate programs at the institution. This activity also includes awards to students in both Pell Grants program, the Supplemental Educational Opportunity Grants (SEOG) program, and matching funds for work-study and student loan programs. The disbursement of work-study funds or loan funds to students is not classified as Student Financial Aid. This purpose excludes administration of student financial aid, which is provided in purpose 1160 Student Services, and all tuition waivers.
