TO: Senator Phil Berger, President Pro Tempore

SUBJECT: Increase to Cost of a State Capital Project

Pursuant to G.S. 143C-8-8, a State Agency may increase the cost of a capital project with gifts, federal or private grants, special fund receipts, or direct capital improvement appropriations if the increase is in the best interest of the State. The Department of Public Safety has requested to increase the ABC Warehouse Precast Repair, authorized in SL2023-134 Sec. 40.4.(a), by \$425,000 using eligible ABC Commission receipts. The increase will cover construction inflation and additional work to address underlying issues discovered in the structural investigation.
